

# 2017 Minnesota Youth Basketball State Championship -Regional Qualifying-

## General Information

### Check-in: Individual Waivers and Team Roster

Individual players must fill out a registration/waiver form and have it signed by a parent/guardian. (This waiver form is attached to your confirmation email.) Signed forms must be turned in when teams check in at the regional tournament along with the team roster. Teams may not play until all registration/waiver forms and a roster are turned in at the tournament. Teams that advance to “post-season” play are not required to fill out additional waivers or rosters.

### Special Roster Requirement

Online roster must be filled out prior to the tournament. The online roster link is <https://psmbbn.wufoo.com/forms/roster-mn-regional-playoffs/>.

Teams that have players from a city that has more than one school district OR teams that have players from more than one school MUST submit their team roster two weeks prior to the tournament. Players on these teams must indicate their school, so enrollment can be verified in advance. This policy will help prevent eligibility questions at the tournament.

**REMINDER:** Please print off the online roster, bring it to each region tournament and turn it in at team check-in with a signed waiver for each player. (We suggest making copies of the signed waiver forms so you have them ready for every Pacesetter tournament you enter.)

### Eligibility

Only players who have played in a B-level game or above come under the jurisdiction of the Minnesota High School League. These players may not play in a Pacesetter regional tournament until their high school team is eliminated from post-season play. All players on a team must either be enrolled in the same school system or live (primary residence) or attend school in the same city, the same school district or the same tribal community. Smaller schools may combine to form one team as long as the total enrollment (grades 9-12) of the schools combined is 400 or fewer. Schools or tribal communities that combine should be from the same area. Younger players may play at a higher grade level, but older players may not play at a younger grade level. Teams may play in more than one region, but special guidelines apply for teams that win a region – see *FAQ* (Frequently Asked Questions).

### Tournament Format

Both region tournaments and state tournaments are “single elimination” from the championship, but all teams will play 3-4 full games in one day.

### Starting and Ending Times

Teams should always double check the main wall schedule for starting times. Teams are asked to be at their court 10 minutes prior to game time. Teams should also check the main schedule area frequently for any special announcements or adjustments. Always be certain you have completed your last possible game before leaving the tournament permanently.

### **Invitations to Post-season Play**

The champion from each region will be invited to the 8-team Minnesota Youth Basketball State Tournament in Maple Grove in June. Teams that lose only one game are invited to play in the Minnesota Invitational Tournament (MIT) also in Maple Grove in June. The top two teams at the Minnesota State Tournament then advance to the Great Four-State tournament. Dates and location will be posted on [www.pacesettersports.net](http://www.pacesettersports.net) as soon as they are finalized.

### **Game uniforms**

Teams should bring two colors of numbered uniforms in the event teams match the same color. Reversible jerseys are ideal. Numbers are required since individual fouls will be recorded.

### **Dressing prior to the game**

Locker rooms are not always available. Therefore, it is best for players to come dressed for the game with warm up gear available for the time between games.

### **Practice basketballs**

Teams should bring their own practice balls, which are the responsibility of each team.

### **Valuables and equipment**

Teams are responsible for their own valuables – always be careful. Carrying bags to the bench area and stowing them under the chairs may be the best idea.

### **Tape and first aid basics**

Teams should bring some tape and basic first aid supplies: tape, band-aids, bench towels, large baggies for ice, etc. Ice should be available at the tournament.

### **Time between games**

An effort will be made to space the time between games, but it is often impossible not to have back-to-back games or a fairly long stretch in between some games. Your understanding and cooperation when your team is involved in one of these situations would be appreciated.

### **Admission and Concessions**

An ALL-DAY pass may range from \$6.00-\$9.00 for ADULTS and \$4.00-\$5.00 for STUDENTS K-12, depending on facility rental fees. Pre-school children are free. Most tournaments will offer a concession stand with food, snacks, and beverages. Please encourage your team to clean up any messes. Schools are providing the concession stand as a fund raiser, so no other food or beverages should be brought into the building. Water bottles are allowed.

### **Positive attitudes**

Please be positive in your actions and words and encourage parents and players to be positive at all times. Attitudes are very contagious and helping a positive one to “catch on” with your group will teach a valuable lesson for life and make it a great day for everyone.

### **Sportsmanship**

Please remind players and fans of the importance of their conduct. There will certainly be calls by the referees that seem unfair to your team---THAT'S A PART OF BASKETBALL--- but everyone is asked to accept that fact of basketball with maturity, setting a good example for the kids. If you feel it is necessary, speak politely to the officials during a break.

**Have a Great Tournament!**
