Do your best & be nice!

After pool play, all teams will play two full-length games, one game against each team. Teams will then be named champion, runner-up, and third place. If all teams tie at 1-1 the total point differential is the first tiebreaker. Second tiebreaker is pool play record. Third would be point differential in pool play.

Pool Play guidelines

Teams play one 16-minute period against each team. Stopped time the final one-minute. Bonus of 2 shots on 4th team foul. One timeout. No overtimes - a tied game ends in a tie.
