

Youth Basketball Winter Classic Tournament

To be eligible to play you MUST complete these 3 steps:

1. **Fill out online roster** ASAP by using this link: <https://pacesettersports.redpodium.com/2019-roster-winter-classic-basketball-tournament> If all players live or attend school within the school district(s), you will only need to provide player's name and grade. **(If player does not live or attend school within the same school district(s), be prepared to verify player's home address and school they attend)**
-when filling out your roster, it will ask you to "create/join a team". Please "create a team" and give it the same "team name" as on your registration form (you can find this again in your confirmation email). You will only need to fill out one roster per season. If you need to add players, please contact the office no later than Friday, 4:00 pm preceding the tournament by emailing info@pacesetternet.com, to check eligibility and update your roster.
2. **Print off your online roster** and turn in at the tournament(s) when you check in.
3. **Have players fill out online waiver form.** Waivers must be filled out online by Wednesday prior to the tournament by a parent/guardian for all players before teams can play. Please direct parents/guardians to: <https://pacesettersports.redpodium.com/2019-winter-classic-registration> to complete the player waiver form. *(Please provide all players with the "team name" that you created when registering.)*

The roster/waiver links can also be found at <http://pacesettersports.net/youth-winter-classics/>.

Our goal is to post brackets on our website by 6:00 p.m. Tuesday the week of the tournament under the bracket tab. If we are unable to have the brackets posted by this time, a note will be posted on our website.

Brackets may be sent via text message as well. If you did not opt-in to receive texts from Pacesetter during registration, please text **@wclassic** to **81010**. Last-minute changes, for example, weather-related announcements and other updates, may be communicated via text.

Let us know if you have any questions and please encourage other teams to register.

We will make every effort to make this a first-class experience for your players. We look forward to seeing you at the tournament!
