

IA State Championship Youth Basketball

To be eligible to play you MUST complete these 3 steps:

- 1. Fill out online roster ASAP by using this link:** <https://pacesettersports.redpodium.com/roster-2019-ia-youth-basketball-tournaments>. If all players live or attend school within the school district(s), you will only need to provide player's name and grade. (If player does not live or attend school within the same school district(s), be prepared to verify player's home address and school they attend)
-when filling out your roster, it will ask you to "create/join a team". Please "create a team" and give it the same "team name" as on your registration form (you can find this in your original confirmation email). You will only need to fill out one roster per season. If you need to add players, please contact the office by Wednesday at 4:00 pm preceding the tournament by emailing info@pacesetternet.com, to check eligibility and update your roster.
- 2. Print off your online roster and turn in at the tournament(s)** when you check in.
- 3. Have players fill out online waiver form.** Waivers must be filled out online by Wednesday prior to the tournament by a parent/guardian for all players before teams can play. Please direct parents/guardians to: <https://pacesettersports.redpodium.com/2019-ia-state-basketball-registration> to complete the player waiver form. *(Please provide all players with the "team name" that you created when registering.)* **Team contacts will receive email updates when players have completed their waivers and are responsible in ensuring all waivers are filled out by the Wednesday before the tournament.**

The roster/waiver links can also be found at <http://pacesettersports.net/ia-championship/>
