Teams will play two games, one game against each team in their pool. The team with the best record will be ranked No. 1, second place will be No. 2, and the third place team will be No. 3. If three teams tie at 1-1, a round of 3-minute overtime periods will be played. If still tied, the point differential in the overtime periods will be the tiebreaker. No. 1's, No. 2's and No. 3's then play final games.
